Summary of the Invention

Page 6, before the eighth full paragraph beginning with "An embodiment" insert the heading:

Brief Description of the Drawings

Page 7, before the first paragraph, insert the heading:

Detailed Description of the Invention

PRELIMINARY AMENDMENT
Attorney Docket Q65842

IN THE CLAIMS:

Please enter the following amended claims:

4. (Amended) A network according to claim 1 wherein the or each communication forwarding means includes translation means for translating an external reference of one or both of the hosts into an internal reference.

6. (Amended)A network according to claim 1 wherein the or each communication forwarding means also includes tracking means for measuring values of one or more predefined parameters related to the communication and the communication forwarding means also includes transmitting means for transmitting these values to a selected data receiver.

7. (Amended)A network according to claim 1 in which one or both of the Real Time Data over IP hosts includes message means for transmitting a message to the communication control means in order to indicate that a communication session is in progress.

8. (Amended)Communication control means as claimed in claim 1.

9. (Amended)Communication forwarding means as claimed in claim 1.

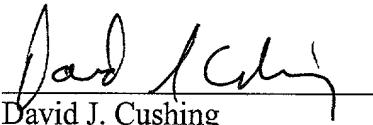

10. (Amended)A Real Time Data over IP host for use in a network according to claim 1.

PRELIMINARY AMENDMENT
